

SAN DIEGO CONVENTION CENTER

FY23 Annual Report | July 1, 2022–June 30, 2023

A RECORD-BREAKING YEAR

This year, Comic-Con crowds returned to Hall H to see the biggest names in Hollywood. Exhibitors filled trade show floors with innovative products and concepts. Educational sessions brought together researchers, students, medical professionals, and business leaders from around the world.

As some of the biggest and most notable conventions in the United States returned to our building, we didn't just rival pre-pandemic numbers; in many cases, we exceeded them.

In fiscal year 2023, 101 events generated a record-breaking economic impact of \$1.4 billion.

This economic impact flowed to area businesses, nonprofit organizations, hospitality sector employees, and residents across our city who benefited from public services funded, in part, from the hotel and sales tax revenues that conventions generate.

Together with our talented and dedicated team, we're proud to contribute to San Diego's economic recovery. We encourage you to read on for details about this year's activities and join us in celebrating the robust return of live events!

IN THE COMMUNITY

Your San Diego Convention Center is part of your community. We proudly support and partner with local organizations throughout San Diego.

San Diego Pride

Together with Team Tourism, we marched in this year's Pride Parade to celebrate and support the LGBTQ+ community. We had more than 150 total volunteers in our Team Tourism parade group!

Beautifying the Bay

As part of our commitment to sustainability, SDCC team members took part in Operation Clean Sweep, volunteering to pick up trash and other litter in communities along the San Diego Bay.

Thanksgiving Pies

Our food and beverage team baked and donated 100 pumpkin pies to San Diegans in need through Mama's Kitchen. A nonprofit providing nutritional support to San Diego residents at risk of malnutrition due to critical illnesses, Mama's Kitchen is an organization we are thankful for and proud to support.

Komen San Diego MORE THAN PINK Walk

The team at SDCC joined an estimated 6,000 participants during the Susan G. Komen MORE THAN PINK Walk, supporting Komen's mission to improve the lives of those diagnosed with breast cancer.

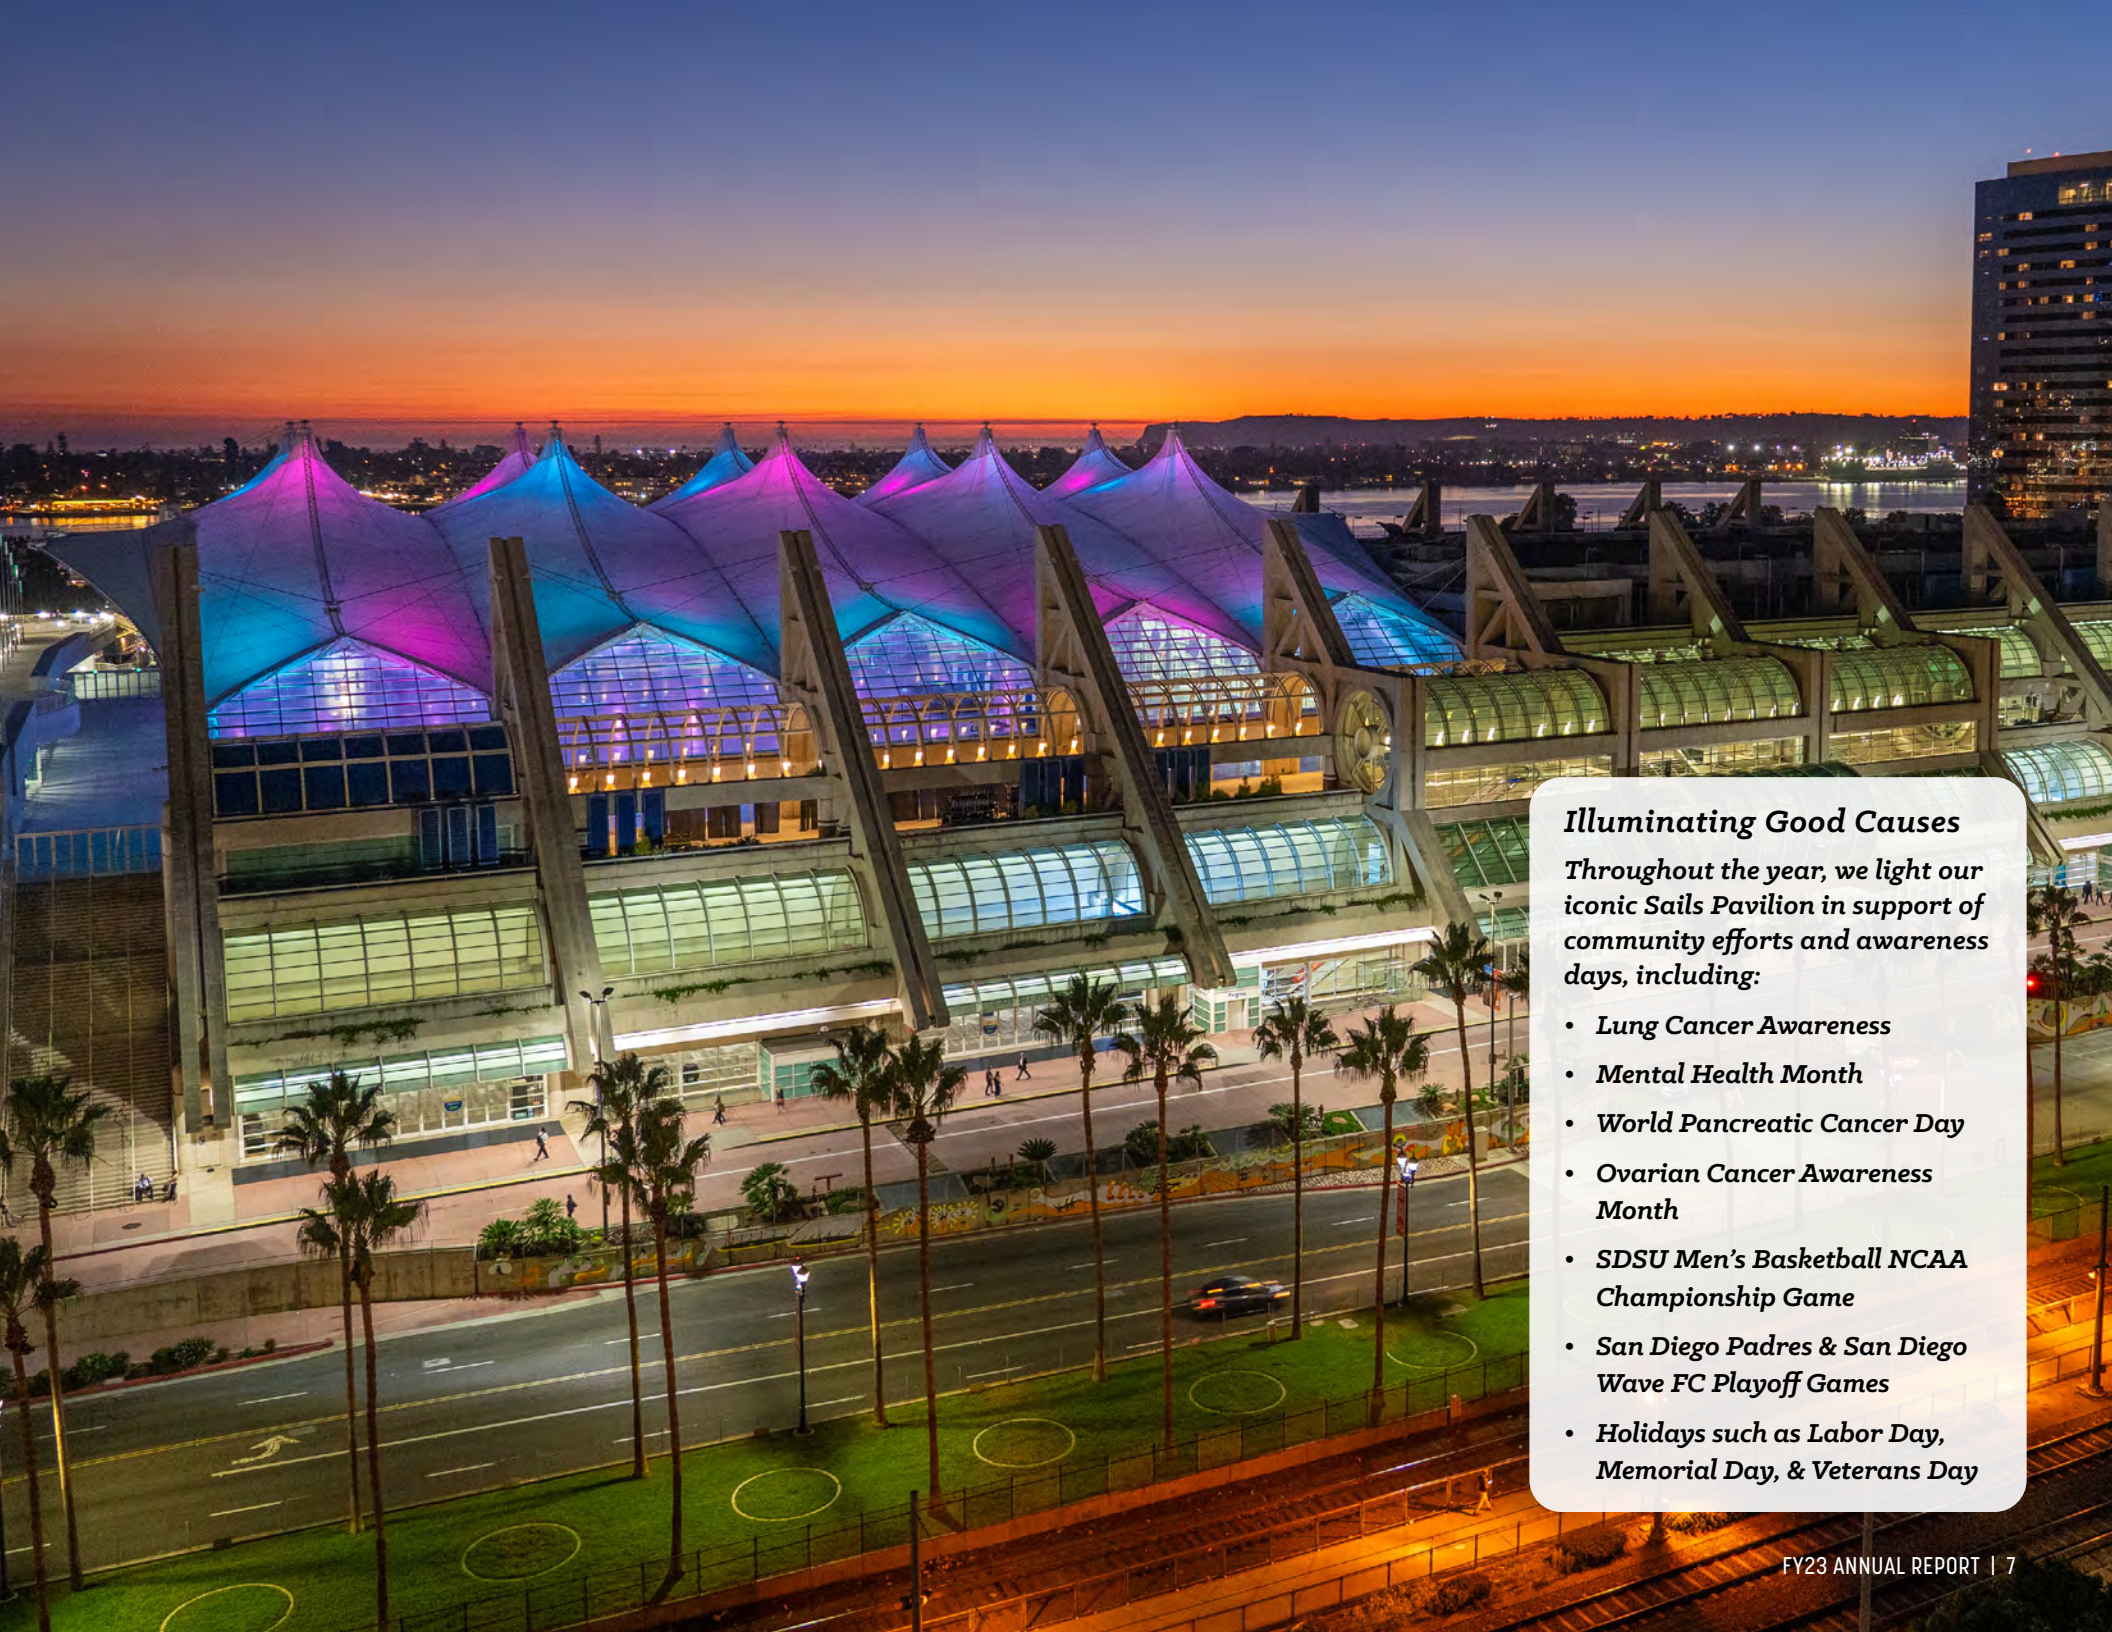

San Diego County High School Hospitality Conference

SDCC welcomed over 50 high school students from schools across the San Diego region for a behind-the-scenes tour of the facility. Students, many of whom visited the Convention Center for the first time, learned about the management of meetings and conventions as well as the opportunities for professional development within the hospitality industry.

Holiday Blanket Drive

Our SDCC team partnered with local homelessness services provider PATH (People Assisting the Homeless) to collect donations of new blankets. We donated over 75 blankets to support PATH clients in their transition to a new home.

Illuminating Good Causes

Throughout the year, we light our iconic Sails Pavilion in support of community efforts and awareness days, including:

- *Lung Cancer Awareness*
- *Mental Health Month*
- *World Pancreatic Cancer Day*
- *Ovarian Cancer Awareness Month*
- *SDSU Men's Basketball NCAA Championship Game*
